Please note that applications still need to be sent to the Local Authority, Planning and Admissions in the normal way.

There is no guarantee for a place for children living in the priority admissions area.

In the event of oversubscription any remaining places will be allocated using the following criteria in the order given:

- 1) Looked After Children and previously Looked After Children;
- 2) Children with a sibling attending the school;
- 3) Children living in the priority admission area;
- 4) Remaining Applications;

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

KEY DEFINITIONS

Looked after Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order will be given first priority in oversubscription criteria ahead of all other applicants in accordance with the School Admissions Code 2012. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989).

Children with statements of special educational needs

Children with statements of special educational needs that name the school on the statement are required to be admitted to a school regardless of their place in the priority order.

Age of Admission

Essex County Council's policy is that children born on and between 1 September 2011 and 31 August 2012 would normally commence primary school in Reception in the academic year beginning in September 2016.

As required by law, all Essex infant and primary schools provide for the full-time admission of all children offered a place in the Reception year group from the September following their fourth birthday. Therefore, if a parent wants a full-time place for their child from September (at the school at which a place has been offered) then they are entitled to that full-time place.

Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. The law does not require a child to start school until the start of the term following their fifth birthday. Compulsory school age is reached at that point.

Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Parents can also request that their child attends part-time until the child reaches compulsory school age. Any parents interested in taking up a part-time place initially should contact the individual school(s) for further details as to what this would entail.

Where parents choose to defer entry, a school may reasonably expect that the child would start at the beginning of a new school term/half term.

Where a parent of a 'summer-born' child (22 April – 31 August) wishes their child to start school in the autumn term following their fifth birthday, they will need to apply for a place at the correct time for the normal admission round for the following academic year. Supporting evidence from relevant professionals working with the child and family stating why the child must be placed outside their normal age appropriate cohort must be submitted. The County Council will decide whether the application for a Reception place will be accepted or whether it will be treated as an application for a Year 1 place, the child's normal age appropriate cohort. If the application for a Reception place is not accepted this does not constitute a refusal of the place and there is no right to an independent statutory appeal.

For information on Admissions Appeals for 2016/2017 arrangements can be found in the Essex County Council Website www.essex.gov.uk and follow the links to Education and School/Admissions/Appeals.
