Dogs on school premises

It has been brought to our attention that some dog owners are tying their dogs up inside the school bike rack area at pick up and drop off times. Some parents have mentioned that their children are nervous of passing through. We would like to make you aware that we do have a policy in school of no dogs on school premises and we request that everyone respects this.

Many thanks for your co-operation.

Digital Healthy Schools Programme— Year 6

We are delighted that our school is part of the Digital Healthy Schools Programme, an exciting global first.

In light of increasing levels of concern about the health outcomes for young people, particularly around mental health and underlying determinants of health such as diet, weight and exercise, this Programme will help students search for and find the best health apps for themselves and their family and friends.

By being involved in the Programme design, our students and teachers have had the opportunity to shape how the Programme will work; impacting not only the direction and success of this roll out, but the roll out of this Programme to students across the country.

We are rolling this out to Year 6, so this is a fantastic opportunity for us to affect the healthy life choices of our students from an early age. We will be taking an active part in the evaluation of the Programme and will feedback on results.

Aylmerton Trip Meeting—3/7/17
